

Give your community the attention it deserves

UniVoIP's **Nonprofit Communication Assistance Program** lets you and your organization enjoy new VoIP phones, premium service, your own online portal with complimentary provisioning, set up, training, shipping and more for one low monthly rate. Become mobile, connected, productive and more responsive to your constituents.

Offered to Qualifying Organizations only

We wish to partner with you to make a positive impact in our world and for that reason, we have designed an assistance program that offers affordable unified communication tools to help you achieve your mission in a collaborative way. Qualify for an executive-class VoIP communication solution and experience a whole new world promoting collaboration, productivity, mobility and efficiency at the tip of your fingers. Enjoy a predictable low monthly rate without compromising your budget.

No upfront cost and up to 2 months FREE
